

CLIMATE RUSH ON THE RUN!

Climate Rush on the Run is a month-long, whistle-stop, horse-and-cart drawn walking tour of the south west, discovering and celebrating solutions to climate change and uncovering the industries fuelling climate chaos.

👉 COME AND SEE US IN **BRISTOL** ON... 👈

SUNDAY SEPTEMBER 20TH

8PM: At The CUBE CINEMA we'll be joining the Bristol Bike Project for their screening of VEER, a cycling cult classic – in anticipation of our Critical Rush the following day.

MONDAY SEPTEMBER 21ST

9AM ONWARDS: Join in with street art Climate Rush style as we adorn a wall in STOKES CROFT with beautiful murals inspired by climate justice. Call 07878535968 to get involved...

1PM: Bring food, drink, family and music to our anti-airport expansion picnic protest – to be held on COLLEGE GREEN. We'll be holding forums on the grass with Friends of the Earth to discuss BIA issues and celebrate the city council's formal objection to it!

5PM: Critical Rush (a critical mass style bike ride). We'll meet opposite the HIPPODROME before pedal-powering our way through town. At 18:15 we'll congregate on CORN ST to meet non-cyclists, and then march to a top secret location (more details on our website soon) and prepare ourselves for the havoc fun game: Capture the Flag.

8:30PM Free Gig! Polish off a delightful day with grub and music at HAMILTON HOUSE, we'll have folk and acoustic before 10, then we'll speed it up and turn it up 'till midnight.
